

NEW YEAR LEARNING IN THE GARDEN WITH ORGANICLEA

Work Based Horticulture Level 1 Award (City and Guilds).

Tuesdays

25 January – 29 March, 9.45am –
2.45 pm, plus two Wednesdays
(10.30am – 1.30pm)

The main focus is guided gardening activity where basic skills can be learnt and practiced. It is designed to gradually build confidence and independence in the working horticultural environment. Small groups allow learners to progress at their own pace and cater for specific learning needs. Working towards a 2 day a week commitment, allows increased achievement and pace of work linked to horticultural practice.

Taster & Enrolment Days:

Various dates throughout
January

Are you interested in
gardening or growing
your own food? Would
you like to join one of
our 2022 courses?

If you are unemployed and have
the right to take paid
employment you could be
eligible for a funded opportunity
to gain a Level 1 City and Guilds
horticulture qualification with
us this spring.

Work Based Horticulture Level 1 Award (City and Guilds).

Wednesdays 16 February – 13
April, 10am – 4.30pm.

This Award involves minimal classroom
time with guided horticultural practice
rooted in organic market gardening theory.
You will practise food growing techniques
and experience the realities of a
productive horticultural work place.
