## How Our Bookings Work

Forest School Principles demand long term and regular sessions. As practitioners we see how important it is and how much children develop coming into a space and a group regularly, even (and sometimes especially) those who might find that space difficult at first. For that reason all of our bookings are for an entire term. One off trial sessions can be made possible through prior arrangement.

## Paying for PlayfulLea sessions

In all cases payment must be made **no later than the end of the week before the start of the term**. For this term (Autumn 2017) this means the **deadline for payment is 1st September 2017**. If you have not made the payment by this date your place may be reallocated to someone on our waiting list.

We offer an option of paying in **two instalments** to help spread the cost. Please refer to dates above. For Autumn 2017 the first instalment must be made by the 1st of September and the second by the 27th of October. Please note that if choosing to pay in two instalments your booking is still for the whole term. If for some reason you cannot attend for the 2nd half term you will still be liable to pay for the place we have reserved for your child(ren) for these sessions.

## Cancellations

Because the consistency of the group is an important part of Forest School and the benefits it has for your children, we hope you will be able to attend all of the sessions in the term you have booked into. We understand that sometimes life can get in the way - we'd love it if you could let us know if you can't make it however we cannot offer refunds or replacement sessions.
