

Essentials for your Growing Year 2012

Start your growing season in the best way with an order for good quality stock – a range of vegetable and herb seeds, seed potatoes, compost for sowing seeds and a green manure to help improve your soil and attract bees. Every order supports community enterprise, organic producers and growing within your community.

Place your order between **3rd and 16th February**. Cash or cheque at the Hornbeam stall or cafe, or the Leytonstone stall. See below for collection dates. Thank you and enjoy this growing season!
